"My physicians had given me up to die. They told me lungs and liver were all decayed and gone. I was very weak, pale and emeciated. By chance I saw Brown's Iron Bitters advertised. I immediately realized that without iron in the blood, life could not exist. With trembing anxiety I sent a servant who procured for me a bottle. I must have taken it with great faith, for almost immediately I felt its beneficial effect. Soon all dyspeptic symptoms disappeared, my lungs grew strong, pains in the region of the heart vanished, my urine became free of sediment, and in a word I have regained perfect health. Now I feel able to thrash the doctor that attended me, and really believe I ought to do it."
